

# Unpack Your Heart

Phillip Phillips

Meet me where the sunlight ends  
Meet me where the truth never bends  
Bring all that you're scared to defend

And lay it down when you walk through my door  
Throw all of it out on the floor  
Your sorrow, your beauty, your war  
I want it all, I want it all

Bring your secrets, bring your scars  
Bring your glory, all you are  
Bring your daylight, bring your dark  
Share your silence  
And unpack your heart

Show me something the rest never see  
Give me all that you hope to receive  
Your deepest regret dies with me

The days when you stumble and fall  
The days when you grind to a crawl  
The treasure that hides behind your walls  
I want it all, yeah I want it all

Bring your secrets, bring your scars  
Bring your glory, all you are  
Bring your daylight, bring your dark  
Share your silence  
And unpack your heart  
Unpack your heart

Oh, I'm on your side  
So shed your shadow  
And watch it rise

Oh, I'm on your side  
So shed your shadow  
And watch it rise  
Into your darkness  
I'll shine a light

Bring your secrets, bring your scars  
Bring your glory, all you are  
Bring your daylight, bring your dark  
Share your silence

Bring your honor, bring your shame  
All your madness, I will tame  
Won't you lay down, down your guard  
Share your silence  
And unpack your heart
