

# Great Great God

Phillips, Craig & Dean

Your cross gave life  
open salvation  
for restoration  
promise for all  
Your grace has made  
us part of Your kingdom  
living in freedom  
as with Your son

Jesus Your name  
is alive  
now Your redemption draws into our lives  
strong in battle  
You overcame  
the victories ours  
now we sing  
Great, Great there is no one like our God  
Great, Great there is no one like our God

How walls fall down  
struggles are broken  
eternity spoken  
righteously stand  
the church will rise  
declaring Your kingdom  
setting your freedom  
blood of Your lamb

Jesus Your name  
is alive  
now Your redemption draws into our lives  
strong in battle  
You overcame  
the victories ours  
now we sing  
Great, Great there is no one like our God  
Great, Great there is no one like our God  
Great, Great there is no one like our God  
Great, Great there is no one like our God

You reign in all the earth  
You reign victorious  
Your power is limitless  
There is no one like our God  
no one like our God  
yeaaa  
Great, Great there is no one like our God  
Great, Great there is no one like our God  
Great, Great there is no one like our God  
Great, Great there is no one like our God  
No one like Our God
