

These Bones

Phillips, Craig & Dean

There's a wind blowin'
Blowin' across the nation
A brand new revelation
A change is gonna come
There's a fire burnin'
Burnin' and refining
Hearts who are desiring
The glory of the Lord
Can you hear the sound hey
His spirit calling out

These bones, (these bones)
Are gonna rise (gonna rise)
These bones, will live again yea
These bones, (these bones)
Are gonna rise, gonna rise
These bones, will live again

Gonna rise, gonna rise,
Yea these bones
Will live again
Gonna rise, gonna rise,
Gonna rise

Feel the earth shaking
Hearts have been awoken
A desperate generation
Who won't be afraid, no
See the walls fallen
A purpose undivided
Faithfully united
To see His kingdom come
Whoa can you hear the sound hey
His spirit calling out

These bones, (these bones)
Are gonna rise (gonna rise)
These bones,
Will live again, yea
These bones, (these bones)
Are gonna rise, gonna rise,
These bones (these bones)
Are gonna rise (gonna rise)

These bones,
Will live again, yea
These bones, (these bones)
Are gonna rise, gonna rise
These bones will live again
Gonna rise, gonna rise
These bones will live again
Gonna rise, gonna rise

(oh yes they will)
Gonna rise
Rise up, rise up
Lift your hands and sing

Rise up, rise up,
Yea
Rise up, rise up
Lift your hands and sing
Rise up, rise up
This is your awakening
These bones,
Are gonna rise
These bones,
Will live again
These bones, hey
These bones gonna rise
These bones, (these bones)
Are gonna rise (gonna rise)

Ooh
These bones,
Will live again
These bones (these bones)
Are gonna rise, gonna rise
Oh don't you know

Thèse bones,
Are gonna rise
These bones,
Will live again
These bones,
Are gonna rise, gonna rise
These bones will live again
Oh don't you know
These bones
Are gonna rise, (gonna rise)
These bones,
Will live again

Hey
These bones, (these bones)
Are gonna rise, gonna rise
These bones will live again
Gonna rise, gonna rise
These bones will live again
Gonna rise, oh, gonna rise
Gonna rise
Hallelujah

Gonna rise, gonna rise
These bones will live again
Gonna rise, gonna rise, oh

Gonna rise
These bones,
Gonna rise
Bones gonna live again
Don't ya know
Uh, hey
These bones,
Are gonna rise
Bones gonna live again
Yea ha ha ha
