

Top Of My Lungs

Phillips, Craig & Dean

Words of worship
Rise like a river within me
The thoughts to express are so many
Wanna bless You God

Can't be silent
I think of the mercies You show me
My lips begin overflowing
Great is Your love

Such gratitude for all that You do
Jesus to You

At the top of my lungs I will sing Hallelujah
You're the one who saved me
The one who gave me this life I live
For evermore, for evermore

At the top of my lungs I will sing Hallelujah
I'm not ashamed, I'll praise Your name
Let the whole world know, I love You, Lord
I love You, Lord

You are worthy
I join the song of creation
That rings out across every nation
Let my heart be heard

I need You so, I don't care who knows
From the depths of my soul

At the top of my lungs I will sing Hallelujah
You're the one who saved me
The one who gave me this life I live
For evermore, for evermore

At the top of my lungs I will sing Hallelujah
I'm not ashamed, I'll praise Your name
Let the whole world know, I love You, Lord
I love You, Lord

Let my love be loud
A sweet joyful noise
Only for You I lift up my voice
I lift up my voice

At the top of my lungs I will sing Hallelujah
You're the one who saved me
The one who gave me this life I live
For evermore, for evermore

At the top of my lungs I will sing Hallelujah
I'm not ashamed, I'll praise Your name
Let the whole world know, I love You, Lord
I love You, Lord , yeah
