

## 46 Days

Phish

Leigh Fordham sold me out  
46 days and the coal ran out  
Please come 'round here another day  
Sit yourself down  
When you're ready to stay

She dug down when they took the town  
Lookin' for clues  
But they couldn't be found  
Leigh found out she was ready to roam  
47 days and the coal came home  
Taste the fear  
For the Devil's drawing near  
Taste the fear  
For the Devil's drawing near
