

Bouncing Around the Room

Phish

The woman was a dream I had
Though rather hard to keep
For when my eyes were watching hers, they closed, and I was still asleep

For when my hand was holding hers
She whispered words and I awoke

And faintly bouncing round the room
The echo of whomever spoke
And I awoke, and faintly bouncing round the room
The echo of whomever spoke

The place I sought was far beneath, the surface of the sea
My sight was poor, but I was sure
The sirens sang their song for me

They dance above me as I sink
I see them through a crystal haze
And hear the sweet sound bouncing round
The never-ending coral maze,
The crystal haze,
And hear the bouncing round the room
The never-ending coral maze

Then before and now once more, I'm bouncing round the room
That time then and once again, I'm bouncing round the room
That time then and once again, I'm bouncing round the room
That time then and once again, I'm bouncing round the room
That time then and once again, I'm bouncing round the room, (count)

And I awoke, faintly bouncing round the room
The echo of whomever spoke
And I awoke, faintly bouncing round the room
The echo of whomever spoke
And I awoke, faintly bouncing round the room
The echo of whomever spoke
