

# Crowd Control

Phish

Listen now I'm talking  
I've been here for weeks  
Waiting in this growing crowd  
Staring at my feet

The world around me's turning  
I'm just standing still  
The time has come for changes  
Do something or I will

I'm a feather in a storm  
I'm a raindrop in the sea  
If I don't get enough of you  
I'm a lighter shade of me

Sisters, brothers all around you  
There's a devil in the crowd  
Meet his eye and it's the end of time  
If you're praying don't be loud

It's crowded in the lowland  
But the fools stay on the hill  
You control us now  
You have the reins  
Do something or we will

So show us why we came here  
Before we lay on the ground  
Give it to us loud and clear  
Make the devil turn around

The world around me's turning  
I'm just standing still  
The time has come for changes  
Do something or I will

It's crowded in the lowlands  
But the fools stay on the hill  
You control us now  
You have the reins  
Do something or we will

So show us why we came here  
Before we lay on the ground  
Give it to us loud and clear  
Make the devil turn around

The world around me's turning  
I'm just standing still  
The time has come for changes  
Do something or I will

The time has come for changes  
Do something or I will  
The time has come for changes  
Do something or I will
