

## Fast Enough for You

Phish

If time were only part of the equation  
Then you could draw the bound'ries of our cage  
You wouldn't pile another stone upon me  
And I'd be happy just to watch you age

But everything is in it's own dominion  
And waiting in the shallows as I do  
Appeases me as water slowly trickles out  
Which isn't nearly fast enough for you

It isn't nearly fast enough for you  
It isn't nearly fast enough for you  
Its what I was afraid of  
I stumble into view  
But it isn't nearly fast enough for you  
It isn't nearly fast enough for you
