

Maze

Phish

The overhead view is of me in a maze
And you see what I'm hunting a few steps away
And I take a wrong turn and I'm on the wrong path
And the people all watching enjoy a good laugh

Embarrassed with failure, I try to reverse
The course that my tread had already traversed
So doing the trauma engulfing my dream
Invaded through what was an unguarded seam
The torrent of helplessness swept me away
To the cavern of shame and the hall of dismay
Inside me a voice was repeating this phrase:
"You've lost it, you'll never get out of this maze"

You'll never get out of this maze
You'll never get out of this maze
You'll never get out of this maze
You'll never get out of this maze
You'll never get out of this maze
You'll never get out of this maze
You'll never get out of this maze
