

Feeling a little drowsy yet?
There ya go, that stuff should take you right out
Okay, I need you to open up
Open wider now
That's it, don't close
Okay, looks pretty good in there
Thank you
Don't close
This is gonna hurt just a little bit
Hold tight, don't bite, it's okay
I'm taking it out, don't bite
I know it's hurts, but it'll be over soon
Okay, do you feel that?
It's losing you now
Don't fall asleep on me
Hold on tight
That's it, don't close
Don't fall asleep now
Still in there?
There we go
There we go
There we go
Almost done
Okay, how does that feel?
Still pretty out of it, aren't you?
Just relax there, I'll be back in a few minutes
Here's a tape if you wanna put on the headphones
There ya go
