

Possum

Phish

I come from atop the mountain, baby
Where the people come to pray
I comes from atop the mountain baby
Where the people come to pray

There ain't no truth in action
'Less you believe it anyway

I was riding down the road one day
Someone hit a possum
Riding down the road one day
Someone hit a possum

The road was his end
His end was that road, so they say

Whoa, possum, possum, possum, possum
Whoa, possum, possum, possum, possum
Whoa, possum, possum, your end is the road

I was riding down the road one day
Someone hit a possum
Riding down the road one day
Someone hit a possum

The road was his end
His end was that road, so they say

Whoa, possum, possum, possum, possum
Whoa, possum, possum, possum, possum
Whoa, possum, possum, your end is the road
Whoa, possum, possum, your end is the road
