

## Sample in a Jar

Phish

It's hidden far away  
But someday I may tell  
The tale of metal tangle  
When into your world I fell  
Without you now I wander soaking  
Secretly afraid  
'Cause in your grasp the fears don't last  
(And some of them have stayed)

I wheeled around because I  
Didn't hear what you had said  
And saw you dancing with Elihu  
Up on Leemor's bed  
And I was foggy rather groggy, you helped me to my car  
The binding belt enclosing me, a Sample in a Jar

And on the market stands unfolding  
With all their willies and their wares  
I shuffle by alert but numb  
To all the glances and the glares  
And I think of you unheeding  
All the times I raise my cup  
It's now I know that you knew that  
I'd soon end up end up

I wheeled around because I  
Didn't hear what you had said  
And saw you dancing with Elihu  
Up on Leemor's bed  
And I was foggy rather groggy, you helped me to my car  
The binding belt enclosing me, a Sample in a Jar

You tricked me like the others  
And now I don't belong  
The simple smiles and good times seem all wrong
