

## Wading in the Velvet Sea

Phish

I took a moment from my day  
Wrapped it up in things you say  
Mailed it off to your address  
You'll get it pretty soon unless

The packaging begins to break  
And all the points I tried to make  
Are tossed with thoughts into a bin  
Time leaks out my life leaks in

You won't find moments in a box  
And someone else will set your clocks  
I took a moment from my day  
Wrapped it up in things you say  
And mailed it off to you
