

Walk Away

Phish

Takin' my time
usin' my line
tryin' to decide what to do
looks like my stop
don't wanna get off
got myself hung up on you

Seems to me
you don't want to talk about it
seems to me
you just turn your pretty head and walk away

places I've known
things that I'm growin'
don't taste the same without you
I got myself in
the worst mess I've been
and I find myself startin' to doubt you

Seems to me
we talk all night, here comes the morning
seems to me
you ignore just what was said and
greet the day

Seems to me
you don't wanna talk about it
seems to me
you don't wanna talk about it
seems to me
you just turn your pretty head and walk away

I've got to cool myself down
stompin' around
thinking some words I can't name ya
meet you halfway
got nothin' to say
still I don't 'spose I can blame ya

Seems to me
you don't wanna talk about it
seems to me
you just turn your pretty head and walk away
Walk away!
