Napoleon Says

Phoenix

You know your french well Didn't take any decision so far Hit me like a freight train Please consider my request

You do expect a Messiah
You want to be European
I would be your Bonaparte
Don't ever care 'bout what Napoleon says

Look out look at look at me Calm down calm down I said to myself this time Look at what you look like You know it suits you well

Napoleon says to take off your coat Take off your long johns too Napoleon says to take off your coat Take off your long johns too

Look out look at look at me Calm down calm down
I said to myself this time
Look at what you look like
You know it suits you well

Right hand in a trench coat Right hand in a trench coat

Napoleon says to come over here Bring back your long johns too Napoleon says to come over here Bring back your long johns too

Look out look at look at me Calm down calm down
I said to myself this time
Look at what you look like
You know it suits you well

Right hand in a trench coat Right hand in a trench coat

Look out look out look out Don't get yourself excited Calm down calm down calm down Go get yourself a white horse

Right hand in a trench coat Right hand in a trench coat
