

## Second to None

Phoenix

Second to none, I wouldn't seriously get involved in a thing  
Bored of all the talking, you know it didn't change much  
I doubt your intentions are to make me feel any better today  
I even doubt tomorrow will be as easy as it was

I've changed  
you've changed  
it's not the same  
Tell me what 's the difference if I go back to normal again?  
Right away

I should have known I'd look at you  
with opened eyes the morning after  
Did you cut your hair? Did you change anything these days?  
I heard a "liar" then I heard a laughter 20 calls a day it make  
s no difference at all

Last year  
Last call  
You lost your ways  
Tell me what's the difference if I go back to normal again?  
Right away

I thought I heard a lie  
I thought I heard a "liar"

I doubt your intentions are to make me feel any better today  
I even doubt tomorrow will be as easy as it was I've changed  
You've changed  
It's not the same  
Tell me what's the difference if I go back to normal again?  
Right away

I thought I heard a lie  
I thought I heard a "liar"
