Pronto? Sì  
Come va a Hollywood?  
Oh you're staying a little longer?  
Well, but I thought you'd be done by September

Non posso vivere  
Troppo bisogno di te  
Wish you decided to stay  
We're too far, we're too far away

Vivere  
Guarda, guarda intorno a te  
Yeah I'm just calling to say  
No, how can I sleep when you're wide awake?

Frutti di mare  
Right beside me  
Watch the ocean with you

Innamorato  
Agitato  
Watch her movie debut

I painted the house  
I bought sheets that you liked on that trip when we went to Rome  
And I got a motorboat for the summer  
In case you're done early or if you plan to visit  
But wait, do you plan to visit?

Non posso vivere  
Troppo bisogno di te  
Wish you decided to stay  
We're too far, we're too far away

Vivere  
Guarda, guarda intorno a te  
Yeah I'm just calling to say  
No, how can I sleep when you're wide awake?

Frutti di mare  
Right beside me  
Watch the ocean with you

Innamorato  
Agitato  
Watch her movie debut

I wish you'd call from set  
I wish I didn't get upset  
Who's that guy you hang out with?  
Is he the lead or just an extra?

Instead of calling please ritorna a me  
How can I sleep when you're wide awake?

Non posso vivere

Telefono  
Ringing for me  
Can I tell you?  
I dream in stereo

In a studio  
Far far away  
I might lose you  
To some executive

Telefono  
Ringing for me  
Can I tell you?  
I dream in stereo

And in a studio  
Far far away  
I'm here solo
