

It's Not Supposed To Be That Way

Phosphorescent

It's not supposed to be that way
You're supposed to know that I love you
But it don't matter anyway
If I can't be there to control you

Like those other little children
You're gonna dream a dream or two
But be careful what you're dreamin'
'Cause soon your dreams'll be dreamin' you

It's not supposed to be that way
You're supposed to know that I love you
But it don't matter anyway
If I can't be there to console you

When you go out to play this evenin'
You play with fire flies till they're gone
And then rush to meet your lover
And play with real fire till the dawn

It's not supposed to be that way
You're supposed to know that I love you
But it don't matter anyway
If I can't be there to console you

When you go out to play this evenin'
You play with fire flies till they're gone
And then rush to meet your lover
And play with real fire till the dawn

It's not supposed to be that way
You're supposed to know that I love you
But it don't matter anyway
If I can't be there to console you
