

After carefully considerin' the whole situation
I stand with my back to the wall
Walkin' is better than runnin' away
And crawlin' ain't no good at all

So if guilty's the question then truth is the answer
Well, I've been lyin' to me all alone
'Cause there ain't nothin' worth savin' except for one another
So before you wake up, I'll be gone

'Cause after carefully considerin' the whole situation
I stand with my back to the wall
Walkin' is better than runnin' away
And crawlin' ain't no good at all

So after carefully considerin' the whole situation
I stand with my back to the wall
Walkin' is better than runnin' away
And crawlin' ain't no good at all
Oh, crawlin' ain't no good at all
Oh, crawlin' ain't no good at all
