Can't we fall in love again? Can't we fall in love again? We were known as the great lovers We had the magic from the start We had so much to give each other Now you're tellin' me you've lost the spark Hold on tight, don't turn out the light Can't we fall in love again? With all of my might I'll try to make things right Can't we fall in love again? Oh, babe, I thought I couldn't live without you, baby But, oh, how the months have flown so fast By chance we meet and magic's happenin' once again The second time around let's make it last Come on, darlin' Hold on tight, don't turn out the light Can't we fall in love again? With all of our might, let's try to make things right (We can do it darling) Can't we fall in love again? In love again So we live and so it goes, baby How it will turn out, no one knows But here we go, babe Oh, baby, can't we fall in love again? Let's hold on tight, don't turn out the light Can't we fall in love again? With all of my might I wanna hold you real tight, baby Can't we fall in love again? Hold on tight, don't turn out the light Can't we fall in love again? There's somethin' I've been wantin' to talk to you about Come on, you gotta talk to me, baby Can't we fall in love again? Babe, can't we fall in love again? You got the magic in your eyes I'm, I'm waitin' for my surprise, baby (Hey, you got it, baby) Can't we fall in love? Hold on tight, don't turn out the light Can't we fall in love again? With all of that good stuff? (Michael, baby, I'm tellin' you, darlin') Can't we fall in love? Baby, can't we fall in love in again?

Let's hold on tight, don't turn out the light

With all of my might, I wanna hold you real tight, baby

Can't we fall in love again?

Can't we fall in love again?

Hold on tight, don't turn out the light
