

# Funny How Love Goes

Phyllis Hyman

Funny how love goes  
I wish I had never met you  
I wish I had never seen your face  
Cause now I can't forget you

The memory of you is too much for me to take  
There was a time when you were mine  
I couldn't wait to see you, hold you in my arms

Oh how I would yearn  
And my heart would burn with love for you, you

You and me we got along so good  
I thought our love would last forever

Suddenly things changed  
Now the mere mention of your name

Makes me sad and blue  
Oh I'm missing you

Funny how love goes  
I wish I had never met you  
I wish you had never come into my life  
If I could just forget you  
I know that everything would be alright  
Everything would be alright

Late at night when I'm fast asleep  
I can hear you calling out my name  
When will it end  
There's no need to pretend  
I still love you the same,  
Ooh yes I do

If I could just put my pride aside  
I'd come running back to you

But I know it wouldn't do any good  
Because I did the best I could  
It would be the same thing again  
Oh, oh yeah

Funny how love goes  
I wish I had never met you  
I wish I had never tasted your love  
Cause now I can't forget you  
The memory of you is too much for me to take

Funny how love goes  
Funny how love goes  
Funny how love goes  
Funny how love goes

Talking about you baby  
I can't, I can't  
I can't baby

Love, love, love, love
