

# Groove With You

Phyllis Hyman

Oh, I've been thinking of you  
And you've been thinking of me  
Oh, I'll give all that I have  
If you'll give all that I need

And oh, oh, oh, let's be fair  
And I think its time we cleared the air  
I've been watching you, you've been watching me  
You know I've been wanting to groove with you  
Girl, speak your mind

Groove with you  
You been thinking all of this time  
Groove with you  
Aww, baby, what I wouldn't do  
Groove with you  
Just spending my days with you

Oh, love is all in your eyes  
Love fire is burning for me  
You stay all in my mind  
Oh woman, it's easy to see

Oh, let's be fair  
You know its time we cleared the air  
You've been watching me, I've been watching you  
You know, you know

Groove with you  
Oh, I want a groove, I want a groove  
Groove with you  
I've been thinking, you've been thinking, thinking of me  
Groove with you  
Oh, what I wouldn't do to groove with you

Groove with you  
You've been watching, I been watching, watching you  
Groove with you  
And every chance I get, from the first time we meet  
I want a groove with you
