

Groove With You

Phyllis Hyman

Oh, I've been thinking of you
And you've been thinking of me
Oh, I'll give all that I have
If you'll give all that I need

And oh, oh, oh, let's be fair
And I think its time we cleared the air
I've been watching you, you've been watching me
You know I've been wanting to groove with you
Girl, speak your mind

Groove with you
You been thinking all of this time
Groove with you
Aww, baby, what I wouldn't do
Groove with you
Just spending my days with you

Oh, love is all in your eyes
Love fire is burning for me
You stay all in my mind
Oh woman, it's easy to see

Oh, let's be fair
You know its time we cleared the air
You've been watching me, I've been watching you
You know, you know

Groove with you
Oh, I want a groove, I want a groove
Groove with you
I've been thinking, you've been thinking, thinking of me
Groove with you
Oh, what I wouldn't do to groove with you

Groove with you
You've been watching, I been watching, watching you
Groove with you
And every chance I get, from the first time we meet
I want a groove with you
