

# No One Can Love You More

Phyllis Hyman

No one can tell me  
That I'm pretending  
Why should I play games?  
Love's not a play thing

Questions people ask of me  
For loving you  
Why should I say the reasons on my own?

No one has wanted more than I want you  
No one has needed more than I do  
No one has wanted more than I want you  
No one has needed more than I love you

No I'm not dreaming  
Love has a meaning  
You're all I live for  
No one can give more

Questions people ask of me  
For loving you  
Why should I say the reasons on my own?

No one has wanted more than I want you  
No one has needed more than I do  
No one has wanted more than I want you  
No one has needed more than I love you

No one has wanted more than I want you  
No one has needed more than I do  
No one has wanted more than I want you  
No one has needed more than I love you
