

Tell Me What You're Gonna Do

Phyllis Hyman

Hey, hey, hey, hey, hey

I haven't heard from you
I really need for you to want me too
I don't know
I can't say
That you could ever have me, baby
Hey, hey, hey
I can't go on this way
Feeling all alone

Tell me what you're gonna do
I'll see you through if you really want me to
Tell me what you're gonna do
Treat me right and I'll do anything for you

I'm moving on
I'm outta here

I've got a life
Don't you see my dear
I don't need this pain
Driving me insane
Please be good to me
I can't go on this way
Don't make me wait too long

Tell me what you're gonna do
I'll see you through if you really want me to
Tell me what you're gonna do
Treat me right and I'll do anything for you

Tell me what you're gonna do
I'll see you through if you really want me to, baby
Tell me what you're gonna do
Treat me right and I'll do anything for you

Hey, ooh, ooh, ooh,
Hey, hey, hey
Darling tell me what you're going to do

What are your intentions
We have lost directions
From the very day we met
Show me some affection
My heart needs protection
From this loneliness I'm feeling inside
Oh, oh

Tell me what you're gonna do
I'll see you through if you really want me to
Tell me what you're gonna do
Treat me right and I'll do anything for you

I need to know
You've got to show
Don't keep me hanging on

Or I'll be gone, gone, gone
Tell me what you're gonna do
Don't mistreat me
Come on baby, if you need me
Tell me what you're gonna do
I'll see you, I'll see you through
Tell me what you gonna do
I'll see you, I'll see you through
I need to know it
You've got to show it
