

# Under Your Spell

Phyllis Hyman

It's after the rain  
It's just like Sunday  
Candy dreams inside my mind  
I never knew  
Loving could be this way  
A trip on a star  
Love keeps growing  
Summer kiss  
It's nicer knowing  
You're here with me  
So happy to be this way

I should have told you  
Every word I say is true  
I'm so in love  
So in love with you...

Cause I'm fallin' under your spell tonight  
I'm fallin' under your spell so right  
Love's calling under your spell tonight  
Yes I'm falling under your spell so right

If this is a dream  
Don't let me wake up  
Don't disturb my fantasies  
You are the best  
You leave all the rest behind  
Walks in the park  
A Disney movie  
Nursery rhymes and fairy tales  
These are things loving you brings to me

I should have told you  
Every word I say is true  
I'm so in love  
So in love with you...

Cause I'm fallin' under your spell tonight  
Yes I'm fallin' under your spell so right  
Love's calling under your spell tonight  
Yes I'm falling under your spell so right

(I'm fallin baby  
Fallin under your spell)  
Walking in the park  
Kissing in the dark  
You got me under your spell

If this is a dream  
Don't let me wake up  
Don't disturb my fantasies...
