

# Whatever Happened To Our Love

Phyllis Hyman

When you and I were introduced  
It never occurred to me  
That one day I would fall in love  
I knew you were nice  
But I didn't think twice  
Until you rang my phone  
And you said you wanted us to be alone, alone..

So, I agree to go out with you  
And treat me like a queen  
I've got to say  
I had a wonderful time..  
Oh, and the very next day you send me flowers  
We talked on the phone for hours and hours  
You was so sure  
You made me believe we had a chance

Whatever happened to our love  
How could it happened when you was so sure  
You made me want you made me need you  
Fell so deep in loved with you  
Look at me now..  
Whatever happened to our love...

And now I'm starting out all over again  
And it's all because of you  
Why did you come around  
Just to play with my heart  
Oh, I really don't know  
I should have known better  
It's gonna take time to get myself together  
You was so sure  
You made me believe we had a chance..

Whatever happened to our love  
How could it happened  
When you was so sure  
You were persistent  
You were consistent  
Fell so deep in loved with you  
Look at me now...  
Whatever happened  
Look at me now...  
Whatever happened  
Look at me now...  
Whatever happened  
To our love...  
To our love.
