

# Mr. President

Pia Mia

Doctor, I need medicine  
Cheerleader need her letter man  
Yeah, knock knock, let me in  
Give you a late show like Letterman  
I'm right here boy, what you doing 'bout it?  
Step up, I'll go do without it  
I'll be waiting, anticipating

I got ya  
Going 90 on the highway  
Rolling up to my driveway  
See the look on my face  
I'm not the girl next door

You should already know-know-know  
How this thing 'bout to go-go-go  
You should already know-know-know  
Thought that I told you  
When you came over  
You should already know  
I need a soldier  
I need a soldier  
You should already know

Hey there, Mr. President  
I could be your Marylin  
Yeah, tryna talk, I ain't hearing it  
And what I got, I ain't sharing it  
It's for you boy, what you doing 'bout it?  
Step up, I'll go do without it  
I'll be waiting, anticipating

I got ya  
Going 90 on the highway  
Rolling up to my driveway  
See the look on my face  
I'm not the girl next door

You should already know-know-know  
How this thing 'bout to go-go-go  
You should already know-know-know  
Thought that I told you  
When you came over  
You should already know  
I need a soldier  
I need a soldier  
You should already know

(2x):

I don't want no one but you  
Oh baby, baby  
Oh baby, baby

You should already know-know-know  
How this thing 'bout to go-go-go  
You should already know-know-know  
Thought that I told you

When you came over  
You should already know  
I need a soldier  
I need a soldier  
You should already know
