Dearest (I'm so sorry)

Picture Me Broken

A little less innocence His morals aren't so well defined You're here again, the rush beings A line of joy and suicide.

I can't find the words to say this. I'm running out of patience.

Dearest I'm so sorry you're disturbed. You know I'd hang on every word. With each breath you take I think I've learned. Careful you might get burned.

Tears tug at the corners of my eyes. But I won't let them go this time. You're here again, the rush begins. A line of joy and suicide.

I can't find the words to say this.
I'm running out of patience

Let's go...

Dearest I'm sorry
But this is not working.

Holding onto what I fight for Bleeding for you,
A face to die for
