

## Part Of Your Body Is Made Out Of Rock

Piebald

It's a sunny day  
But you still have made mistakes  
The sunlight may not save you  
Laying down pitch less hiss  
Under green, green trees  
Why would you want to make anybody's life harder?

I wouldn't have guessed you had a heart of stone (2x)

The clothing store around the corner  
May not carry your size  
Looks like you may not make it till the end of the week  
Remember high school  
You and Jackie went swimming in the pond  
Now all you do is eat and shave and sleep

Yeah, yeah, yeah, yeah

I wouldn't have guessed you had a heart of stone (2x)

Some fond quotations  
In a book you may have read  
Filter into your situation

I wouldn't have guessed you had a heart of stone (2x)
