

The Stalker

Piebald

I'll be around every corner you go.
Don't you look so surprised.
I'll be in every dressing room that you're in.
O-oh.

I'll be holding every door you walk through.
You don't even have to say "thanks".
I'll get groceries at the same time as you.
O-oh.

Don't think I don't know what suits you well, oh yeah.
Don't think I don't know.

I'll be in every smoky corner you've seen Counting your drinks.
I'll be the guy who drives past your house.
O-oh.

I'll be hiding behind your mirror
Watching you crimp your hair.
I'll follow you with sunglasses on.
O-oh

Don't think I don't know what suits you well, oh yeah.
Don't think I don't know.

I'll be looking through your windows at night.
Watching you sleep.
I will see you at your big game.
O-oh.

I'll be at the same parties as you
And I'll meet you in the closet.
I'll follow you home when the sun comes up.
O-oh

Don't think I don't know what suits you well, oh yeah.
Don't think I don't know what suits you, oh yeah.
Don't think I don't know what suits you well, oh yeah.
Don't think I don't know!
