

Time Lost

Piebald

why are we separated by our actions?
all the times we had before.
all the things i won't forget.
how can you let them go?
erase.
memories destroy me.
erase.
rip me up tear me down.
erase.
i will remember you.
erase.
time has passed now you're gone.
i think about you.
and he times i've lost, do you think of me?
or am i forgotten or erased?
