

# Hold On Till May

Pierce the Veil

She sits up high surrounded by the sun  
One million branches and she loves every one  
"Mom and dad, did you search for me?  
I've been up here for so long I'm going crazy"

And as the sun went down we ended up on the ground  
I heard the train shake the windows  
You screamed over the sound  
And as we own this night  
I'll put your body to the test with mine  
This love was out of control  
3-2-1 where did it go?

Now don't be crazy  
Yes now of course you can stay here.  
Been in a touring band for going on ten years.  
"Big deal," she said, "I guess you're official"  
I only said it 'cause I know what it's like to feel

Burned out  
It gets you down,  
We've all been there sometimes  
But tonight I'll make you feel beautiful once again

And as the sun went down we ended up on the ground  
I heard the train shake the windows  
You screamed over the sound  
And as we own this night  
I'll put your body to the test with mine  
This love was out of control  
3-2-1 where did it go?

If I were you, I'd put that away  
See, you're just wasted  
And thinking about the past again  
Darling you'll be okay

She said,  
"If you were me, you'd do the same  
'Cause I can't take anymore  
I'll draw the shades and close the door  
Everything's not alright and I would rather..."

And as the sun went down we ended up on the ground  
I heard the train shake the windows  
You screamed over the sound  
And as we own this night  
I'll put your body to the test with mine  
This love was out of control  
Tell me where did it go?
