## **Baltimore Strangler**

## **Pig Destroyer**

She's got a neck built for my hands the way a pine grows for the saw they say I hate women they couldn't be more wrong she's got a pierced lip and a mohawk and a strut that reminds me of a tiger I think she's a waitress at rocket to venus I've seen her flipping records at reptilian the other day I followed her all the way from hopkins to the harbor I lost her in the crowd when the o's game let out I never saw that girl again and it's a shame I just wanted to hold her like an anaconda
