

## A Shame

Pillar

You are afraid to say it's true reality escapes you  
Time after time you try to prove to yourself you're right  
But your ways are not the way how long do you have to play  
This game before you see I'm right it's not just a game it's a  
fight  
You're afraid to hold out your hand don't be afraid to take a s  
tand

It's a shame to be ashamed  
To be ashamed of the One that we should glorify  
It's a shame to be ashamed  
To be ashamed of the One that we should glorify

You are afraid of the price you'll pay will you be strong or wa  
lk away  
You're reasons are runnin' thin all that's left to do is give i  
n  
Inside this generation of sin there's only one place to begin  
And it's at the starting line or you will be left behind

It's a shame to be ashamed  
To be ashamed of the One that we should glorify  
It's a shame to be ashamed  
To be ashamed of the One that we should glorify

You say it's hard to believe in something you can't see  
A choice you make today will affect you eternally

Now I'm here to stay  
And I've made a change  
And I won't go away  
From the One who gave live

It's a shame to be ashamed  
To be ashamed of the One that we should glorify  
It's a shame to be ashamed  
To be ashamed of the One that we should glorify  
To be ashamed of the One that we should glorify
