

## Stay Up

### Pillar

Pack a bag go let the world know how you feel about it  
Hit the party let the people scream and shout about it  
No doubt about it no reason for you to pout about it  
If you don't get it then you probably live your life without it.  
So get it it and take a second just to think it through  
It's not a secret you're on schedule for a rendezvous  
But who knew the 'Who's Who of Voodoo'  
Would be you the day you get your verdict asking for a redo

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Ready or not here we come, come to seek you out  
Cause you can only hide for so long in the underground  
Until you're found and you scream aloud in the crowd  
That you're down and you're never turning back around  
So shut down the ways we'll call the days of old  
And get down with the freaks that are livin' bold  
Stay up we livin' life fortississimo  
KJ we get the freaks gotta let 'em know

Now excuse me  
Now what I speak is for my freaks and when I come forth  
And I get down like I'm jumpin' off the eighth floor  
What's the dealy for realy what you ashamed for  
You're the reason that He came for and His blood poured  
So behold He stands at the door and just knocks  
But you be standin' at the door with the door locked  
So it's a sure shot that in the whole spot and whole  
Lotta y'all need to take heed the words that we drop

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around

Get up, Get up we never get down  
We be seekin' freaks out from the underground  
Stay up, Stay up we never let down  
We keep it rockin' 'til you all come around
