

# Whatever It Takes

Pillar

What would it take  
To make you see me  
The way I see you?  
What would it take  
To make you want me the way I've always wanted you?  
I don't know why  
You're in everything I see  
I can't deny  
That you're everything I need  
So I'm reaching ...

Whatever it takes to get to you  
Whatever it takes to break through  
Whatever it takes you are my reason  
For everything I do  
Whatever it takes  
(Whatever it takes)  
Whatever it takes to get to you  
(Whatever it takes)  
Whatever it takes  
(Whatever it takes)

What would it take  
To make you fall for me  
The way I fell for you?  
What would it take  
To make you fight for me  
The way I always fought for you?  
I don't know why  
You bring me to my knees  
But I can't unwind  
From how you've twisted me  
But I'm reaching...

Whatever it takes to get to you  
Whatever it takes to break through  
Whatever it takes you are my reason  
For everything I do  
Whatever it takes  
(Whatever it takes)  
Whatever it takes to get to you  
(Whatever it takes)  
Whatever it takes  
(Whatever it takes)

Whatever it takes  
To get to you!  
To get to you!  
To get to you!

Whatever it takes to get to you  
Whatever it takes to break through  
Whatever it takes you are my reason  
For everything I do  
Whatever it takes  
(Whatever it takes)  
Whatever it takes to get to you

(Whatever it takes)  
Whatever it takes  
(Whatever it takes)
