

## Pussy Worship

### Pin-Up Went Down

Would you mind if I fuck you fuck you now and then here and now  
?

Lend me your -please-

Lend me lend me what you have/what I need

What I've only had when I wasn't free

When I was upside/ you behind/ lend me

Your vicious male mind for a little time

When they're upside down

Girls imagine things you don't know

More fists, more twists in your sober hole

In every girl there's a pig that sleeps

Pussy worship!

So sweet...

So deep...

If you wanna fuck me now

You can fuck me fuck me

Do you

Know if

I'm deep

If you wanna fuck me now

You can fuck me fuck me hoo yeah

If you wanna fuck me now

You can fuck me fuck me hoo hey leleah

When they're upside down

Girls imagine they could change the rules

Handjob, Blowjob, some great facial cum,

How would it be seen from above?

Tell me Lord would you give her a try

To become for once a girl in a guy

Come on Lord, girls would really like

To play with a part they're not ashamed to show
