

SERIE Z II

Pin-Up Went Down

Why do I hear you
Laugh as she's rotting?
Parody of Death
Just Theatre of Horror,
Feed your brain
And then ask yourself
Why
It's blur now

Hey, face
your needs
But pay
the bill

Applause
murder
Free
disorder
Jusqu'où, dis, l'extrême ?

Let's gore
and see
How mind
can be...
Applause!

Let's "cash
for guts"
Let's "we
want more"

We want more!
