

She's been all used up  
Like the gum in her ashtray  
(I wanna take the waves)  
And none she can focus so well.  
(I wanna take the waves)  
Some try to hide her  
And others just like her  
(I wanna take the waves)  
On the backs of old postcards  
With the names scratched off  
With razorblades,  
(waves) But I can trace you.

waves waves waves

I wanna take the waves  
I wanna take the waves  
I wanna take the waves

whoooooooooooooooooooo

Lead me on.

(waves)  
Well I've been betrayed now  
(waves)  
That's the way it's always been  
(waves)

(waves)  
Well I've been betrayed now  
(waves)  
That's the way it's always been  
(waves)

(waves)  
Well I've been betrayed now  
(waves)  
That's the way it's always been  
(waves)

Well I've been betrayed now  
That's the way it's always been
