

## Life During Wartime

Pinhead Gunpowder

Yeah we say making changes  
Starts by making changes  
In the little things you do  
"Revolution begins at home"  
But for most of us it ends there too  
We're doing something  
We're making changes  
Like changing the kind of crap we buy  
We say it makes a difference  
But most of the time  
That's just another lie

It used to be "us" and "them"  
And you + me  
And now we can't reach  
Our full potential  
Without a common enemy  
A real war to fight against  
Instead of our petty disagreements  
But how can I rationalize  
My life during wartime lie

A call to action and a reaction  
Taking our lives in our own hands  
Instead of sitting around talking  
About the same old stupid bands  
But war is going on right now  
And I'm not doing anything about it  
Without a crowd I'm not so loud  
I can't do anything by myself  
But that's just another lie
