

Livin' My Life for You

Pink Cream 69

Don't keep me waitin'
No used to cool down now
My mind's gettin' happy
You drive me nuts somehow

Look in my eyes
There ain't no lies
Every word I say is true

Yeah, yeah, yeah
Every night, every day, all the time
I'm just livin' my life for you
I would die for you and I don't lie
I'm just livin' my life for you

Life is so easy
With just a drink or two
Burn all my money
There's nothing else to do

I'm on the lose
I need the juice
Kill the pain that's in my brain

Yeah, yeah, yeah
Every night, every day, all the time
I'm just livin' my life for you
I would die for you and I don't lie
I'm just livin' my life for you
