

# One Time Is Not Enough

Pink Cream 69

Waking in the morning  
And I stare at the wall  
Now my angel has seen through my sins  
Thinking about my life  
When I was going insane  
Well I guess now I can take the pain  
It's not you; it's not me  
It's just the way that it is  
It's not you; it's not me  
I know the feeling is real  
And it's no exaggeration

One time is not enough  
It's not enough  
And you know it's for the better of two  
One time is not enough  
It's not enough  
And you know it's for the better of two  
But what should I do?

You could see right through me  
So I packed up my bags  
Getting sick and tired of my lies  
Waiting at the station feeling down on my luck  
With a picture of you stuck in my mind  
It's not you; it's not me  
It's just the way that it is  
It's not you; it's not me  
You got my mind in a twist  
And it's no exaggeration

One time is not enough  
It's not enough  
And you know it's for the better of two  
One time is not enough  
It's not enough  
And you know it's for the better of two  
But what should I do

When I was losing my face  
I never really cared  
I guess I got to pull myself together now  
I know, it really drives you crazy  
It's time will be alright  
I know it's a lie  
Never wanted to say goodbye  
And you know  
In my heart and my soul  
I've got no place to go

One time is not enough  
It's not enough  
And you know it's for the better of two  
One time is not enough  
It's not enough  
And you know it's for the better of two  
But what should I do?
