

# A Pillow Of Winds

Pink Floyd

1. Sleepy time when I lie  
with my love by my side,  
and she's breathing low.
- \*: And the candle dies.
2. When night comes down,  
you lock the door.  
The book falls to the floor.
3. As darkness falls  
and waves roll by,  
the seasons change.
4. The wind is warm.  
Now wakes the owl.  
Now sleeps the swan.
- \*: Behold a dream,  
the dream is gone.
5. Green fields,  
a cold rain is falling  
in a golden dawn.
6. And deep beneath the ground  
the early morning sounds  
and I go down.
7. Sleeping time when I lie  
with my love by my side  
and she's breathing low.
8. And I rise like a bird  
in the haze when the first rays  
touch the sky.
- \*: And the night winds die.
