

# Comfortably Numb

Pink Floyd

1. Hello

Is there anybody in there?  
Just not if you can hear me  
Is there anyone at home?

2. Come on now

I hear your feeling down  
I can ease your pain  
And get you on your feet again

3. Relax

I'll need some information first  
Just the basic facts  
Can you show me where it hurts?

R: There is no pain you are receding  
A distant ship smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're saying  
When I was a child I had a fever  
My hands felt just like two balloons  
Now I've got that feeling once again  
I can't explain, you would not understand  
This is not how I am

\*: I... have become comfortably numb.

\*: I... have become comfortably numb.

4. O.K. Just a little pinprick

There'll be no more aaaaaaaah! But you may feel a little sick

5. Can you stand up? I do believe it's working, good

That'll keep you going through the show Come on it's time to go.

R: There is no pain, you are receding A distant ship smoke on the horizon  
You are only coming through in wave Your lips move but I can't hear what  
you're saying  
When I was a child, I caught a fleeting glimpse Out of the corner of my e  
ye

I turned to look but it was gone I cannot put my finger on it now  
The child is grown The dream is gone

\*: I... have become comfortably numb.
