

# Take It Back

Pink Floyd

1. Her love rains down on me  
easy as the breeze  
I listen to her breathing  
It sounds like the waves on the sea  
I was thinking all about her  
Burning with rage and desire  
We were spinning into darkness  
The Earth was on fire

R: She could take it back  
She might take it back some day

2. So I spy on her, I lie to her  
I make promises, I cannot keep  
Then I hear her laughter rising  
Rising from the deep  
And I make her prove her love for me  
I take all that I can take  
And I push her to the limit to see  
if she will break

R: She might take it back  
She could take it back some day

3. Now I have seen the warnings  
Screaming from all sides  
It's easy to ignore them  
and God knows I've tried  
All of this temptation  
It turned my faith to lies  
Until I couldn't see the danger  
or hear the rising tide

R: She can take it back  
She will take it back some day (3x)
