

# The Thin Ice

Pink Floyd

1. Mamma loves her baby  
and daddy loves you too  
and the sea may look warm to you babe  
and the sky may look blue
  
- \*: Ooooooooooooooh babe  
Oooooooh baby ... blue  
Ooooooooooooooh ooooooh babe
  
2. If you should go skating  
On the, thin ice of modern life  
Dragging behind you the silent reproach  
Of a million tear stained eyes
  
3. Dont be surprised, when a crack in the ice  
Appears under your feet  
You slip out of your depth and out of your mind  
With your fear flowing out behind you  
As you claw the thin ice.
