What Do You Want From Me

Pink Floyd

As you look around this room tonight Settle in your seat and dim the lights Do you want my blood, do you want my tears What do you want What do you want from me Should I sing until I can't sing any more Play these strings until my fingers are raw You're so hard to please What do you want from me

Do you think that I know something you don't know What do you want from me If I don't promise you the answers would you go What do you want from me Should I stand out in the rain Do you want me to make a daisy chain for you I'm not the one you need What do you want from me

You can have anything you want You can drift, you can dream, even walk on water Anything you want

You can own everything you see Sell your soul for complete control Is that really what you need

You can lose yourself this night See inside there is nothing to hide Turn and face the light

What do you want from me
