Pink Martini

Don't furrow your eyebrows at me
I'm with the guy in the crooked hat
I am beautiful, I am beautiful
I've left many broken hearts in my path
I am a lone rider, I'm a maverick
I have no rival anywhere
I love white stallions
I am a very good jockey girl
Long hair, like a lasso
With endless waves and curls

To mesmerize you
I've got locks for days
From head to toe
I'm a flirting machine

When I line up my gaze
And mesmerize you with a look
Even if you have heart of stone
I'll have your heart
