

Let's Never Stop Falling In Love

Pink Martini

I wish a falling star could fall forever
And sparkle through the clouds and stormy weather
And in the darkness of the night
The star would shine a glimmering light
And hover above our love

Please hold me close and whisper that you love me
And promise that your dreams are only of me
When you are near, everything's clear
Earth is a beautiful heaven
Always I hope that we follow the star
And be forever floating above

I know a falling star can't fall forever
But let's never stop falling in love

When you are near, everything's clear
Earth is a beautiful heaven
Always I hope that we shine like the star
And be forever floating above

I know a falling star can't fall forever
And let's never stop falling in love
No let's never stop falling in love
